City of Santa Maria Water Conservation Hotline and email address:

The Utilities Department has established a special telephone hotline, and email address, for residents and business owners to voice their water concerns, report water misuse or leaks, request information regarding water conservation, or arrange for a water audit. The Water Conservation Hotline – (805) 925-0951 ext. 802 – is designed for residents to leave a message. The Water Conservation e-mail address is: waterhotline@cityofsantamaria.org – If residents would like someone from the Utilities Department to return their phone call, or e-mail, they should include, at minimum, their name, daytime phone number, and reason they are calling or emailing.
