

# City of Santa Maria 2017 Districting Population Units Map

Numbers shown are the population in each geographic area.

Target population for a 4-district map: 23,644 to 26,133

Target population for a 5-district map: 18,915 to 20,906

Please draw your proposed district(s) with a thick dark pen. Then turn in your map to City Hall, or scan or photograph it and send to the City Clerk at [info@NDCresearch.com](mailto:info@NDCresearch.com).

Thank you!
