

City of Santa Maria 2017 Districting Population Units Map

Numbers shown are the population in each geographic area.

Target population for a 4-district map: 23,644 to 26,133

Target population for a 5-district map: 18,915 to 20,906

RECEIVED
APR 10 2017
CITY MANAGER'S OFFICE

Please draw your proposed district(s) with a thick dark pen. Then turn in your map to City Hall, or scan or photograph it and send to the City Clerk at info@NDCresearch.com.

Thank you!
