Submitting Your Own PowerPoint Slide?

- Use Microsoft PowerPoint only and e-mail to asutterfield@ci.santa-maria.ca.us
- If submitting on CD, use CD-R or CD-RW.
- Keep your message short and to the point.
- Messages appear for about 20 seconds on the screen
- Be sure to include What, When, Where and Who the sponsoring organization is. Include your logo if you have one.
- Include a phone number for more information.
- Individual events on specific dates must be submitted separately.
- Avoid light fonts on light backgrounds and dark fonts on dark backgrounds.
- Find a graphic that complements your message. Dark colors or pictures that compete with the text are often distracting and ineffective.
- Submit your PowerPoint with no more than 500 kilobytes and make sure it is 640 X 480 pixels in size.
- Minimum font size is 32 pt.
- Leave ample margins at the sides and top/bottom to insure entire message is displayed on the TV screen.
- Send your PowerPoint as a "presentation" so it can be adjusted for on-screen formatting.
