THE CITY OF SANTA MARIA IS REQUESTING PROPOSALS TO DESIGN, PROVIDE, AND INSTALL PLAYGROUND EQUIPMENT AND FALL ZONE MATERIAL IN CONNECTION WITH RUSSELL PARK. THE CITY WILL SELECT ONE (1) SUPPLIER TO PROVIDE EQUIPMENT AND MATERIALS FOR THE PARK AS OUTLINED IN THIS REQUEST.

Proposal packages may be obtained on the City website at <https://www.cityofsantamaria.org/bids>

All communications and inquires shall be submitted in writing via email to:

City of Santa Maria
Recreation and Parks Department
Dennis Smitherman, Management Analyst I
Dsmitherman@cityofsantamaria.org

1. INTRODUCTION

The City of Santa Maria ("City") is requesting proposals to design, provide and install playground equipment and fall zone material in connection with the Russell Park Renovation. The City will select one (1) supplier to provide equipment and materials for the park as outlined in this request.

2. SUBMITTALS

Interested parties shall submit three (3) hardcopies and one (1) electronic copy (sent to dsmitherman@cityofsantamaria.org) of the proposal. A separate, sealed envelope should contain the cost proposal/Schedule of cost. All proposals must be received at the City by 4:00 p.m. PDT on April 12, 2019

No proposals will be accepted after this time and date. Proposals will remain sealed and unopened. Proposals will not be publicly opened. Any proposal received after this time and date will be unopened and destroyed.

3. SCOPE OF PROJECT

This project consists of the design, procurement and installation of a playground system including fall zone material at Russell Park located at 1000 W. Church Street, Santa Maria CA.

Work is to include the design of a play system within the constructed play area boundaries, as well as the installation of commercial grade playground equipment, equipment footings, drainage materials, landing mats, and fall zone material.

All equipment will be assembled and installed by the Supplier.

Playground Suppliers shall provide a maximum of two (2) designs for each Supplier represented for the park playground.

The City of Santa Maria requires Suppliers to design a play system that meets or exceeds all current federal CPSC, ASTM, IPEMA standards and ADA requirements. The proposals shall include the costs of delivered play systems as designed, inclusive of the equipment structures, components, hardware, detailed technical installation instructions and maintenance and operations manuals from manufacturer.

4. DESIGN ELEMENT GUIDELINES & PLAY SYSTEM SPECIFICATIONS

Suppliers should base their playground equipment designs on meeting all accessibility and safety standards as well as the guidelines and specifications listed in this RFP. Quality of equipment components, quality of design, play value, cost, and appropriateness to location and target demographic must be taken into consideration in the design of the play system. The total dollar amount allocated to the project is \$200,000.

Compliance with the Santa Maria Municipal Code and all other applicable laws is required.

Required Items:

1. All play system elements must meet and/or exceed all federal, CPSC, ASTM & IPEMA guidelines.
2. Play system must include poured in-place rubber surfacing with subsurface drainage system.

Play System Features in Priority Order:

1. Provide a minimum of one structure designed for ages 2 to 5: Play structure with 3-1/2" OD powder coated galvanized steel posts with cast aluminum caps, one piece powder coated aluminum hinged clamps and one piece Eco-Armor coated perforated steel decks with (8) Active Play Events to accommodate (27) users, ages 2-5.
2. Provide a minimum of one structure designed for ages 5 to 12: Play structure with 5" OD powder coated galvanized steel posts with cast aluminum caps, one piece powder coated aluminum hinged clamps and one piece Eco-Armor coated perforated steel decks with (21) Active Play Events to accommodate (63) users, ages 5-12.
3. Provide one swing set which shall have minimum 2 swings for toddlers.
4. Other desired elements include: stand-alone spinner element, transfer tubes, stand-alone climbers, overhead slide track, springing toys, and digging toys.

Preferred Play System Qualities:

1. All play system elements must demonstrate the highest level of durability in materials and finishes selected in consideration of child health and safety.
2. Structures and elements should be unique to the Santa Maria area.
3. Structures should provide a variety of built-in activity panels and climbers.

In the proposal, provide a list of the components proposed for the Russell Park play system. Include structure and component model numbers, materials, color choices and recommendations, protective area requirements, target age ranges and developmental levels, target play type or activity, estimated lifetime of equipment including manufacturers warrantee and any other relevant descriptive information.

Play system design shall safely fit in the playground area as shown on the site plans (Attachment A). Suppliers are encouraged to be creative in their designs and to maximize the role of unstructured play in their proposals.

5. ASSEMBLY/INSTALLATION AND INSPECTION

The play system assembly and installation will be provided and managed by the Supplier. The Supplier must supply direct supervision from manufacturer or supply qualified and certified representative familiar with playground installation. All tools and equipment required to install play equipment shall be provided by the Supplier. The Supplier will be given sixty (60) calendar days to complete the proposed work. Working days will begin as outlined in the contract.

It is the requirement of this RFP that Suppliers shall provide and pay for equipment installation. A representative of the Supplier is required to conduct a post installation inspection of equipment upon completion to insure the proper installation of the equipment. If not properly installed, modifications must be submitted in writing to the City and remedied immediately. Co-inspection with the Supplier's representative of assembly and installation work will be conducted by the City following installation. The City will supply the punch list for final completion generated by this co-inspection. The Supplier shall submit to the City the manufacturer's certification of compliance and warranty following punch list completion.

Warranty: Upon completion of installation, the Supplier must provide documentation attesting the equipment has been installed meeting all specifications thereby warranted by manufacturer. Additionally, it is the Supplier's responsibility to provide to the City the manufacturer's warranty of installed equipment.

6. SCHEDULE AND DEADLINES

Include a schedule of deliverables as well as any known critical deadlines.

Cost Proposal/Schedule of Costs - Separate, Sealed Envelope

Submit a detailed Cost Proposal/Schedule of Costs for all work to be performed for the project in a separate, sealed envelope. Cost Proposal/Schedule of Costs shall be a time-and-materials method of payment with a not-to-exceed limit, including specific rates of compensation and clearly depict all direct and indirect costs and how they would be applied.

Pricing for all services shall be fully inclusive.

7. PROPOSAL FORMAT GUIDELINES

Interested entities are to provide the City of Santa Maria with a thorough proposal using the following guidelines:

Proposal should be typed and should contain no more than 20 typed pages using a 12-point font size, including transmittal letter and resumes of key people, but excluding Index/Table of Contents, tables, charts, and graphic exhibits. Each proposal will adhere

to the following order and content of sections. Proposal should be straightforward, concise and provide “layman” explanations of technical terms that are used. Emphasis should be concentrated on conforming to the RFP instructions, responding to the RFP requirements, and on providing a complete and clear description of the offer. Proposals which appear unrealistic in terms of technical commitments, lack of technical competence or are indicative of failure to comprehend the complexity and risk of this contract may be rejected. The following proposal sections are to be included in the Proposer’s response:

i. Vendor Application Form and Cover Letter

Complete Attachment “A”, “Request for Proposal-Vendor Application Form” and attach this form to the cover letter. A cover letter, not to exceed two pages in length, should summarize key elements of the proposal. An individual authorized to bind the consultant must sign the letter. The letter must stipulate that the proposal price will be valid for a period of at least 180 days. Indicate the address and telephone number of the contractor’s office located nearest to Santa Maria, California and the office from which the project will be managed.

ii. Background and Project Summary Section

The Background and Project Summary Section should describe your understanding of the City, the work to be done, and the objectives to be accomplished. Refer to Scope of Work of this RFP.

iii. Staffing

Provide a list of leadership individual(s) and a list of classifications of persons who will be working on this project and indicate the functions that each will perform and anticipated hours of service of each individual. Include a resume for each designated individual.

Upon award and during the contract period, if the contractor chooses to assign different personnel to the project, the Contractor must submit their names and qualifications including information listed above to the City for approval before they begin work.

iv. Qualifications

The information requested in this section should describe the qualifications of the firm or entity, key staff and sub-contractors performing projects within the past five years that are similar in size and scope to demonstrate competence to perform these services. Information shall include:

A summary of entity’s demonstrated capability, including length of time that your firm has provided the services being requested in this Request for Proposal.

For private Proposers, provide at least three references that received similar services from your firm. The City of Santa Maria reserves the right to contact any of the organizations or individuals listed. Information provided shall include:

- Client Name
- Project Description
- Project start and end dates
- Client project manager name, telephone number, and e-mail address.

Any public entity which submits a proposal should describe in detail how it currently performs services like those identified in the scope of work within its or other jurisdictions, including photographs, written policies and/or video of services provided. If you have performed these services under contract for another public entity, please provide references for those entities as set forth above for private Proposers.

v. Financial Capacity (for private or non-profit agencies only)

Provide the Proposer's latest audited financial statement or other pertinent information such as internal unaudited financial statements and financial references to allow the City to reasonably formulate a determination about the financial capacity of the Proposer. Describe any administrative proceedings, claims, lawsuits, or other exposures pending against the Proposer (attachment "B").

vi. Fee Proposal

All Proposers are required to use the form in Attachment "C" to be submitted with their proposal. Pricing instructions should be clearly defined to ensure fees proposed can be compared and evaluated. Proposals shall be valid for a minimum of 180 days following submission.

vii. Disclosure

Please disclose any and all past or current business and personal relationships with any current City of Santa Maria elected official, appointed official, City employee, or family member of any current City of Santa Maria elected official, appointed official, or City employee. Any past or current business relationship may not disqualify the firm from consideration. Disclose any pending litigation, fines/penalties, settlements which the proposers are responsible for.

8. CERTIFICATE OF INSURANCE

Include Certificate of Insurance carried by the firm, containing the insurance carrier, A.M. best ratings scope of coverage and limits, deductibles, and self-insured retention.

Minimum scope of insurance shall be at least as broad as: (i) Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001), including products and completed operations, property damage, bodily injury and personal & advertising injury; (ii) Insurance Services Office Business Auto Coverage Form Number CA 00 01

covering any auto (Code 1), or if Consultant has no owned autos, covering hired (Code 8) and non-owned autos (Code 9); and (iii) Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.

Minimum limits shall be no less than: (i) General Liability \$2,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit; (ii) Automobile Liability \$1,000,000 per accident for bodily injury and property damage; (iii) Workers' Compensation: Statutory limits; (iv) Employer's Liability \$1,000,000 per accident for bodily injury or disease; (v) Errors and Omissions Liability \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

9. TAXPAYER IDENTIFICATION NUMBER

Request for Taxpayer Identification Number and Certification Include a completed and signed Form W-9 Request for Taxpayer Identification Number and Certification.

10. METHOD AND CRITERIA FOR SELECTION

A selection committee will evaluate and rank proposals based on specific criteria.

CRITERIA	POINTS
Demonstrated understanding of project	25
Experience with similar kinds of work	25
Demonstrated technical ability	25
Ability to meet requirements	25
TOTAL	100

11. ACCEPTANCE OR REJECTION OF PROPOSAL

The City reserves the right to select the successful proposal(s) and negotiate an agreement as to the scope of services, the schedule for performance, duration of the services with the firm(s) whose proposal(s) is/are most responsive to the needs of the City, and compensation for services. The City reserves the right to further negotiate any aspect of an agreement.

Proposals shall be prepared and submitted in accordance with provisions of the RFP instructions and specifications. Any alteration, omission, addition, variance, or limitation of, from or to a proposal may be sufficient grounds for rejection of the proposal. The City has the right to waive any minor defects or irregularities in a proposal. The City may deem a proposal nonresponsive if any document or item necessary for the proper evaluation of the proposal is incomplete, improperly executed, indefinite, ambiguous, or missing.

Additionally, the City reserves the right to reject any and all proposals. The City may, for any reason, decide not to award the agreement(s) as a result of this RFP. If subsequent selection opportunities are issued, the City is under no obligation to advise any respondent to this RFP, although it is the City's intent to notify all qualified respondents of any such plans.

12. RIGHT TO CHANGE OR AMEND REQUEST

The City reserves the right to change the terms and conditions of this RFP. The City will notify all proposers initially provided this RFP of any material changes via addendum by United States Postal Mail or by electronic method via email and/or its website, www.cityofsantamaria.org/bids. No one is authorized to amend any RFP requirements in any respect by an oral statement, or to make any representation or interpretation in conflict with these provisions.

3. **Contractor’s Obligations.**

3.01. Minimum Amount of Service. Contractor shall devote sufficient time to perform services under this agreement efficiently and effectively. Contractor may represent, perform services for and be employed by additional individuals or entities, in Contractor’s sole discretion, as long as the performance of these extra-contractual services does not interfere with or present a conflict with City’s business.

3.02. Tools and Equipment. Except as otherwise stated in this Agreement, Contractor will supply all tools and equipment necessary to perform this Agreement.

3.03. Status. Contractor (including its employees) is an independent contractor. No employer/employee relationship exists between Contractor and the

City. Contractor's assigned personnel shall not be entitled to any benefits payable to employees of the City. The City is not required to make any deductions or withholdings from the compensation payable to Contractor under this agreement.

3.04. Indemnification. To the fullest extent permitted by law, the Consultant shall indemnify, defend (with independent counsel approved by the City) and hold harmless the City, and its directors, officers, and employees from and against all liabilities (including without limitation all claims, losses, damages, penalties, fines, and judgments, associated investigation and administrative expenses, and defense costs, including but not limited to reasonable attorneys' fees, court costs and costs of alternative dispute resolution) regardless of nature or type that arise out of, pertain to, or relate to the negligence, reckless, or willful misconduct of the Consultant or the acts or omissions of an employee, agent or subcontractor of the Consultant. The provisions of this paragraph survive completion of the services or the termination of this contract. The provisions of this Section are not limited by the provisions of the Section relating to insurance.

4. Miscellaneous

4.01. Notices. All communication relating to the day-to-day activities of this Agreement shall be exchanged between a designated representative of the CITY and a representative of CONTRACTOR, listed below. All notices shall be addressed as follows unless a written change is filed with the City:

To City:

Attn.

110 East Cook Street
Santa Maria, CA 93454

To Contractor:

If the designated Representative or address of either party changes during the term of this agreement, a written notice shall be given to the other party prior to the effective date of change. Any written notices required under this agreement shall be effective five (5) days after deposit into United States mail, postage prepaid, addressed to the designated Representative, or upon confirmation of receipt of delivery if another notification process is used.

4.02. Compliance With Laws, etc. Contractor shall comply with all laws, including but not limited to the rules and policies of the City, in performing this agreement.

4.03. Integration. This agreement constitutes the entire agreement of the parties with respect to the subject matter. All modifications, amendments, or waivers of the terms of this agreement must be in writing and signed by the appropriate representatives of the parties.

4.04. Interpretation. This agreement shall be interpreted in accordance with the laws of the State of California.

4.05. Jurisdiction. Jurisdiction and venue of all disputes over the terms of this agreement shall be in the County of Northern Santa Barbara, State of California.

4.06. Warranty of authority. Each person signing this agreement on behalf of a party warrants that he or she has authority to do so.

4.07. No Waiver. Failure to enforce with respect to a default shall not be construed as a waiver.

4.08. Severability. The provisions of this agreement are severable. If any part of this agreement is held invalid by a court of competent jurisdiction, the remainder of the agreement shall remain in full force and effect unless amended or modified by mutual written consent of the parties.

4.09. Submittals. In addition to any other submittals required by this agreement, Contractor shall submit copies of its current business license and current certificate of workers compensation coverage to the City before beginning work on this project.

4.10 Prevailing Wage. Prevailing Wage. If applicable, Consultant and all subconsultants are required to pay the general prevailing wage rates of per diem wages and overtime and holiday wages determined by the Director of the Department of Industrial Relations under Section 1720 et seq. of the California Labor Code. The Director's determination is on file and open to inspection at www.dir.ca.gov and is referred to and made a part hereof; the wage rates therein ascertained, determined and specified are referred to and made a part hereof as though fully set forth herein.

IN WITNESS WHEREOF, this agreement is executed by the parties on the date first written above.

EXHIBIT "A"
SCOPE OF WORK

Description

Upon the delivery of a signed copy of this agreement with this scope of work as Exhibit "A" attached, the contractor and staff shall proceed with the following scope.

Severability of Tasks

The City reserves the right of severability; any clause or task within these specifications may be deleted at the discretion of the Recreation and Parks Department. Adjustments to the contract costs will be made accordingly.

EXHIBIT "B"
PAYMENT

- Contractor shall provide final invoices within 30 days of work completed.
- City will process payments as submitted by the Contractor.
- City represented by the Director of Recreation and Parks or their appointee will administer the contract.

INSURANCE REQUIREMENTS

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the Consultant, his/her agents, representatives, or employees. If the Consultant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or higher limits maintained by the Contractor.

A. Minimum Scope of Insurance

Coverage shall be at least as broad as:

1. Insurance Services Office Commercial General Liability coverage (occurrence form CG 0001), including products and completed operations, property damage, bodily injury and personal & advertising injury.
2. Insurance Services Office Business Auto Coverage Form Number CA 00 01 covering any auto (Code 1), or if Consultant has no owned autos, covering hired (Code 8) and non-owned autos (Code 9).
3. Workers' Compensation insurance as required by the State of California and Employer's Liability Insurance.
4. Errors and Omissions liability insurance appropriate to the Consultant's profession. Architects' and engineers' coverage is to be endorsed to include contractual liability.

B. Minimum Limits of Insurance

Contractor shall maintain limits no less than:

1. General Liability - \$2,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. Automobile Liability - \$1,000,000 per accident for bodily injury and property damage.
3. Workers' Compensation: Statutory limits.

4. Employer's Liability - \$1,000,000 per accident for bodily injury or disease.
5. Errors and Omissions Liability - \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

C. Self-insured Retentions

Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration and defense expenses within the retention.

D. Other Insurance Provisions

The commercial general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

1. The City, its officers, officials, employees and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38 **and** CG 20 37 forms if later revisions are used).
2. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled or reduced, except with notice **stating the title of this contract** to the City. **All notices provided pursuant to this Agreement shall be given to the City representative listed for notice in this agreement and shall specify the title of this Agreement.** Notice may be given by overnight mail, facsimile with confirmation of receipt, or certified mail with return-receipt requested.

4. Consultant hereby grants to City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.
5. If any of the required policies provide claims-made coverage:
 - a. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.
 - b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
 - c. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

E. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

F. Verification of Coverage

Consultant shall furnish the City with original certificates and amendatory endorsements of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time.

G. Special Risks or Circumstances

The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
