of, such proposer fails to satisfy the City that such proposer is properly qualified to carry out the obligations of a contract and to deliver the services contemplated herein or the bid of any bidder who has previously failed to perform properly, or complete on time, contracts of a similar nature. Any material misrepresentation or material falsification of information provided to the City in the proposer's bid submission, or at any point in the bid evaluation process, including any interview conducted, is grounds for rejection of the bid. In the event that the misrepresentation or falsification is not discovered until after any agreement is awarded, the agreement may be terminated at that time. 1. General Liability - \$2,000,000 per occurrence for bodily injury, personal injury and property damage. If Commercial General Liability Insurance or other form with a general aggregate limit is used, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.
2. Automobile Liability - \$1,000,000 per accident for bodily injury and property damage.
3. Workers' Compensation: Statutory limits.
4. Employer's Liability - \$1,000,000 per accident for bodily injury or disease.
5. Errors and Omissions Liability - \$1,000,000 per occurrence or claim, \$2,000,000 aggregate.

C. Self-insured Retentions

Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration and defense expenses within the retention.

D. Other Insurance Provisions

The commercial general liability and automobile liability policies are to contain, or be endorsed to contain, the following provisions:

1. The City, its officers, officials, employees and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least

as broad as ISO Form CG 20 10 11 85 or **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38 **and** CG 20 37 forms if later revisions are used).

2. For any claims related to this project, the Consultant's insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.
3. Each insurance policy required by this clause shall be endorsed to state that coverage shall not be canceled or reduced, except with notice **stating the title of this contract to the City.** **All notices provided pursuant to this Agreement shall be given to the City representative listed for notice in this agreement and shall specify the title of this Agreement.** Notice may be given by overnight mail, facsimile with confirmation of receipt, or certified mail with return-receipt requested.
4. Consultant hereby grants to City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.
5. If any of the required policies provide claims-made coverage:
  - a. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.
  - b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
  - c. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of work.

E. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

F. Verification of Coverage

Consultant shall furnish the City with original certificates and amendatory endorsements of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time.

G. Special Risks or Circumstances

Entity reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

#### 4.04 EXTENSION

This Agreement shall terminate as specified in section 4.02 unless extended as set forth in this Section. Otherwise, the City, with the agreement of Contractor, is authorized to extend the term of this Agreement beyond the termination date, as needed, under the same terms and conditions set forth in this Agreement. Any such extension shall be in writing and be an amendment to this Agreement.

### **5.00 SPECIAL PROVISIONS**

#### 5.01 BREACH OF CONTRACT

If Contractor materially breaches terms of this agreement, City shall, in addition to other remedies provided by law, have the following cumulative remedies:

- A. Immediately terminate the agreement with Contractor;
- B. Complete the unfinished work, under this agreement, with a different contractor; or
- C. Charge Contractor with the difference between the cost of completion of the unfinished work pursuant to this agreement and the amount that would otherwise be due Contractor, had Contractor completed the work.

#### 5.02 NON-DISCRIMINATION

During the performance of this agreement, Contractor will not discriminate against any employee or applicant because of race, religion, creed, color, national origin, sex, age, sexual orientation or disability, whether physical or mental.

#### 5.03 EXCLUSIVITY

All plans, specifications, reports, electronic media, records, and other design documents prepared by Contractor pursuant to this agreement shall be the property of the City; City is entitled to full and unrestricted use of such plans, specifications, reports and other design documents prepared by Contractor pursuant to this agreement; such plans, specifications, reports, and other design documents prepared by Contractor pursuant to this agreement shall be used exclusively on this project and shall not be used on any other work unless deemed necessary by the City.

#### 5.04 RECORDS

Where the payment terms provide for compensation on a time and materials basis, Contractor shall maintain adequate records to permit inspection and audit of Contractor's time and material charges under this agreement. Contractor shall make such records available to City. Once the City receives records, they may become public records unless exempted by law. Such records shall be maintained by Contractor for three years following completion of the work under his agreement.

#### 5.05 CONFIDENTIALITY

City and Contractor agree that until final approval by City, all data, plans, specifications, reports and other documents are confidential to the extent permitted by law as interpreted by the City Attorney and will not be released to third parties without the prior written consent of both parties, unless disclosure is required by law, as determined by the City Attorney.

#### 5.06 EXTRA WORK

New and unforeseen work will be classed as extra work when determined by the Public Works Operations Manager for the City of Santa Maria that such work is not covered by the terms of this agreement. Extra work shall be paid for on a time and material basis at the rates established in Exhibit "D" of this agreement.

#### 5.07 CONFLICT OF INTEREST

CONSULTANT will comply with all conflicts of interest laws and regulations including, without limitation, the CITY'S Conflict of interest Code (on file in the City Clerk's Office). All officers, employees and/or agents of CONSULTANT who will be working on behalf of the City pursuant to this Agreement, may be required to file Statements of Economic Interest. Therefore, it is incumbent upon the CONSULTANT or CONSULTING FIRM to notify that City of any staff changes relating to this Agreement.

A. In accomplishing the scope of services of this Agreement, all officers, employees and/or agents of CONSULTANT(S), unless as indicated in Subsection B, will be performing a very limited and closely supervised function, and, therefore, unlikely to have a conflict of interest arise. No disclosures are required for any officers, employees, and/or agents of CONSULTANT, except as indicated in Subsection B.

The waiver of any breach by any party of any provision of this agreement shall not constitute a continuing waiver or a waiver of any subsequent breach of this agreement.

6.03 ASSIGNMENT

This agreement is specifically not assignable by Contractor to any person or entity. Any assignment or attempt to assign by Contractor, whether it be voluntary or involuntary, by operation of law or otherwise, is void and is a material breach of this agreement giving rise to a right to terminate as set forth in Section 4.03.

6.04 TIME FOR PERFORMANCE

Except as otherwise expressly provided for in this agreement, should the performance of any act required by this agreement to be performed by either party be prevented or delayed by reason of any act of God, strike, lockout, labor trouble, inability to secure materials, or any other cause, except financial inability, not in the control of the party required to perform the act, the time for performance of the act will be extended for a period of time equivalent to the period of delay and performance of the act during the period of delay will be excused; provided, however, that nothing contained in this Section shall excuse the prompt payment by either party as required by this agreement or the performance of any act rendered difficult or impossible solely because of the financial condition of the party required to perform the act.

6.05 NOTICES

Except as otherwise expressly provided by law, any and all notices or other communications required or permitted by this agreement or by law to be served on or given to any party to this agreement shall be in writing and shall be deemed duly served and given when personally delivered or in lieu of such personal service when deposited in the United States mail, first-class postage prepaid to the following address for each respective party:

#### 6.07 BINDING EFFECT

This agreement shall be binding on and shall inure to the benefit of the heirs, executors, administrators, successors and assigns of the parties hereto, but nothing in this Section shall be construed as a consent by City to any assignment of this agreement or any interest in this agreement.
