All notices provided pursuant to this Agreement shall be given to the City representative listed for notice in this agreement and shall specify the title of this Agreement. Notice may be given by overnight mail, facsimile with confirmation of receipt, or certified mail with return-receipt requested.

4. Consultant hereby grants to City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

5. If any of the required policies provide claims-made coverage:
a. The Retroactive Date must be shown, and must be before the date of the contract or the beginning of contract work.
b. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
c. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase “extended reporting” coverage for a minimum of five (5) years after completion of work.

E. Acceptability of Insurers

Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to the City.

F. Verification of Coverage

Consultant shall furnish the City with original certificates and amendatory endorsements of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by the City before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant’s obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements effecting the coverage required by these specifications at any time.

G. Special Risks or Circumstances

Entity reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

3.00 OBLIGATIONS OF CITY

3.01 COOPERATION

City agrees to comply with all reasonable requests of Consultant necessary to the performance of Consultant's duties under this agreement, specifically including those duties listed in Exhibit "B", hereby incorporated.

2. Sale of the business of any party;
3. Death of any party;
4. The end of the ten (10) days as set forth in Section 4.01;
5. End of the contract to which Consultant's services were necessary.
6. Project not approved pursuant to the California Environmental Quality Act or ended for environmental reasons.

4.03 TERMINATION BY ANY PARTY FOR DEFAULT OF ANOTHER PARTY

Should any party default in the performance of this agreement or materially breach of any of its provisions, a non-breaching party, at its option, may terminate this agreement, immediately, by giving written notice of termination to the breaching party.

4.04 EXTENSION

This Agreement shall terminate as specified in section 4.02 unless extended as set forth in this Section. Otherwise, the City, with the agreement of Consultant, is authorized to extend the term of this Agreement beyond the termination date, as needed, under the same terms and conditions set forth in this Agreement. Any such extension shall be in writing and be an amendment to this Agreement.

5.00 SPECIAL PROVISIONS

AGREEMENT
ATTY/REV 2018
5.01 BREACH OF CONTRACT

If Consultant materially breaches terms of this agreement, City shall, in addition to other remedies provided by law, have the following cumulative remedies:

1. Immediately terminate the agreement with Consultant;

2. Retain the plans, specifications, drawings, reports, electronic media, records, and other design documents prepared by Consultant;

3. Complete the unfinished work, under this agreement, with a different consultant; or

4. Charge Consultant with the difference between the cost of completion of the unfinished work pursuant to this agreement and the amount that would otherwise be due Consultant, had Consultant completed the work.

5.02 NON-DISCRIMINATION

During the performance of this agreement, Consultant will not discriminate against any employee or applicant because of race, religion, creed, color, national origin, sex, age, sexual orientation or disability, whether physical or mental.

5.03 EXCLUSIVITY

All plans, specifications, reports, electronic media, records, and other design documents prepared by Consultant pursuant to this agreement shall be the property of the City; City is entitled to full and unrestricted use of such plans, specifications, reports and other design documents prepared by Consultant pursuant to this agreement; such plans, specifications, reports, and other design documents prepared by Consultant pursuant to this agreement shall be used exclusively on this project and shall not be used on any other work unless deemed necessary by the City.

5.04 RECORDS

Where the payment terms provide for compensation on a time and materials basis, Consultant shall maintain adequate records to permit inspection and audit of Consultant’s time and material charges under this agreement. Consultant shall make such records available to City. Once the City
receives records, they may become public records unless exempted by law. Such records shall be maintained by Consultant for three years following completion of the work under his agreement.

5.05 COST ESTIMATES

Since Consultant has no control over the cost of labor, materials, or equipment or over the methods bidders use to determine price, Consultant's estimates of construction costs represent Consultant's judgement as a design professional. Consultant does not represent, warrant or guarantee that bids for construction may not vary from Consultant's estimates.

5.06 CONFIDENTIALITY

City and Consultant agree that until final approval by City, all data, plans, specifications, reports and other documents are confidential to the extent permitted by law as interpreted by the City Attorney and will not be released to third parties without the prior written consent of both parties, unless disclosure is required by law, as determined by the City Attorney.

5.07 EXTRA WORK

New and unforeseen work will be classed as extra work when determined by the City Engineer for the City of Santa Maria that such work is not covered by the terms of this agreement. Extra work shall be paid for on a time and material basis at the rates established in Exhibit "D" of this agreement.

5.08 CONFLICT OF INTEREST

CONSULTANT will comply with all conflicts of interest laws and regulations including, without limitation, the CITY’S Conflict of interest Code (on file in the City Clerk’s Office). All officers, employees and/or agents of CONSULTANT who will be working on behalf of the City pursuant to this Agreement, may be required to file Statements of Economic Interest. Therefore, it is incumbent upon the CONSULTANT or Consulting Firm to notify that City of any staff changes relating to this Agreement.

A. In accomplishing the scope of services of this Agreement, all officers, employees and/or agents of CONSULTANT(S), unless as indicated in Subsection B, will be performing a very limited and closely supervised function, and, therefore, unlikely to have a conflict of
interest arise. No disclosures are required for any officers, employees, and/or agents of CONSULTANT, except as indicated in Subsection B.

B. In accomplishing the scope of services of this agreement, CONSULTANT(S) will be performing a specialized or general service for the CITY, and there is substantial likelihood that the CONSULTANT’S work product will be presented, either written or orally, for the purpose of influencing a governmental decision. As a result, the following CONSULTANT(S) shall be subject to Disclosure Category “1” of the CITY’S Conflict of Interest Code.
