- Children ages 6 mos.-3 yrs. eligible
- One parent per child must participate in the water each class session
- Waterproof swim diaper and swimsuit required
What is Starfish Swimming®?

The City of Santa Maria Recreation and Parks Department is an independent authorized provider of Starfish Swimming. Starfish Swimming is a nationally recognized swim instruction curriculum developed by the Starfish Aquatics Institute (SAI).

Learn more about SAI at www.starfishaquatics.org

The Starfish Swimming curriculum is designed for students ages 6-months to adult. Benchmarks are established at each stage in the program that combine both swimming and safety skills. Students participate in experiential learning activities that allow them to explore the water in a creative and comfortable environment. Correct swimming techniques are taught from the very beginning, providing an easy transition to swim team.

Inside this guide, you will find the curriculum used in the StarBabies™/StarTots™ (ages 6 months to 36 months), Starfish Swim School® (ages 3 and up), and Starfish Stroke School™ programs. Our swim instructors will communicate your child’s progression through the curriculum on a regular basis.

What role do I play in my child’s swimming development?

As a parent or caregiver, you play a vital role in your child’s swimming development. You have already taken the first step, by registering your child for swim lessons. Now, you must continue to communicate with your child’s instructor and practice, practice, practice!

The bathtub is a great place to start practicing! Bubbles, breath holding, looking underwater, floating, and kicking can all take place in the bathtub! A few trips to the pool between swim lessons are nice too! You shouldn’t feel the need to push children to do everything they are doing in swim lessons. Just give them the opportunity to get wet, splash around, and explore the water on their own terms.

But remember: supervision is a must! While swimming lessons are one layer of protection, nothing beats supervision. Keep your eyes on your child whenever you are in, on, or near the water!

If you have any questions, please do not hesitate to ask. We’re here for you. Contact us at (805) 925-0951 ext. 2260.
The purpose of this course is to foster in very young children a high comfort level in the water while at the same time training parents and caregivers in water safety and drowning prevention. This course does not teach children to become accomplished swimmers or to survive in the water; it does provide a confidence-building, fun, and loving experience.

**STAGE WHITE: TRUST AND COMFORT**

**Safety Skill:** Understand constant and dedicated surveillance.

**Swim Skill:** Parent and child are relaxed and confident, and enjoy being in the water together.

**STAGE RED: BODY POSITIONS**

**Safety Skill:** Fit and properly put a lifejacket on the child.

**Swim Skill:** Perform a relaxed front, back, vertical, and side position for at least 5 seconds each.

**STAGE YELLOW: SUBMERSION**

**Safety Skill:** Use flotation to help someone in the water and know how to call 911.

**Swim Skill:** Enter from the wall, submerge, turn around, grab on to the wall, and pull up (assisted).

**STAGE BLUE: AIR RECOVERY AND ROLL-OVER**

**Safety Skill:** Identify six methods of preventing recreational water illness.

**Swim Skill:** Enter from the wall, submerge, come to surface unassisted and get a breath in vertical or horizontal (on back) position.

**STAGE GREEN: FORWARD MOVEMENT**

**Safety Skill:** Know about infant and child CPR.

**Swim Skill:** Move through the water independently 10 feet, with or without flotation.

**STAGE WHITE: TRUST AND SUBMERSION**

**Safety Skill:** Always ask permission before getting in the water.

**Swim Skill:** Assisted submersion, relaxed, 5 seconds and then come up to breathe.

**STAGE RED: BODY POSITION AND AIR RECOVERY**

**Safety Skill:** Put on a lifejacket, float on back, kick 20 feet.

**Swim Skill:** Jump in, submerge, recover for air, roll on back for 5 seconds in swimwear and in regular clothes.

**STAGE BLUE: BODY ROTATION**

**Safety Skill:** Tread water 15 seconds.

**Swim Skill:** Jump in, submerge, recover to side glide position and kick 10 feet.

**STAGE GREEN: INTEGRATED MOVEMENT**

**Safety Skill:** Tread water 15 seconds.

**Swim Skill:** Jump in, submerge, recover to side glide position and kick 10 feet.

**ATTENTION SWIMMERS AND POOL USERS**

Do you and your family visit the pool frequently? Are you tired of waiting in line to enter the pool? Don’t want to pay a daily entry fee every time you visit the pool? Skip the line and spend more time enjoying the pool!

- Buy an Annual Pool Pass for $58.00 and you and up to 6 family members are covered for the year!
- A Pool Pass is good for Rec Swim and Adult Lap Swim year round!
- Pay a one-time fee for the entire year (pass expires 1 year after purchase date.)

Visit the Abel Maldonado Community Youth Center for more information.

---

For more information or to register for classes visit www.cityofsantamaria.org/register

When two fees are quoted e.g., $33.50(R)/$41(NR), the first is the discounted rate for City of Santa Maria Residents and the second is the standard fee for non-residents.
AQUATICS

STARFISH STROKE SCHOOL™
