## NOTICE

July 10, 2019

In accordance with City of Santa Maria Municipal Code § 8-12.1004 and City Ordinance No. 83-1054 § 1, the rates for discharge of hauled waste at the City of Santa Maria's Wastewater Treatment Plant will be increased effective July 1, 2019. The new rates are as follows:

### Septage

\$0.1120 per gallon of septage, based on truck capacity

### Chemical Toilet Waste

\$0.1120 per gallon of chemical toilet waste, based on truck capacity; or

\$34.72 per unit in the case of portable toilets having a holding tank not to exceed 100 gallons. In the event any portable toilet has a holding tank exceeding 100 gallons, the charge shall be \$34.72 for each 100 gallons, or any fractional part thereof.

### Grease Waste

\$0.1867 per gallon for grease waste based on declared volume of load; or

\$0.1867 per gallon for grease waste, based on declared volume of load and a \$0.03 per gallon surcharge accruing toward a security deposit fund. The total security deposit required is determined by capacity of the holding tank kept at the City's Wastewater Treatment Plant property. The security deposit is refundable when the tank and contents have been removed from City property and the area has been satisfactorily cleaned.
