## NOTES

*For more information on any project, please contact the Planner or the Applicant using the e-mail hyperlinks.*

*The information in these reports represent a standardized summary of information contained in City files and descriptions are subject to interpretation. The information is generally accurate; however, changes may occur in the status of any project at any time. This report is intended to fulfill the Congestion Management Plan (CMP) requirement for local agencies to submit development activity information on an annual basis to SBCAG and neighboring jurisdictions.*

*Please cite the City of Santa Maria, Community Development Department, as the information source when using this data.*
