

REQUIREMENTS FOR LARGE FAMILY DAY CARE HOMES

Pursuant to Title 12, Chapter 29A of the Municipal Code, a large family day care home is permitted under the following conditions:

1. Provider shall comply with the State of California Health and Safety Code, which includes a fire inspection.
2. Provider shall submit a copy of their state license to the Community Development Department with this statement.
3. The provider operating the large family day care home must live in the home. Additional caregivers, required under the State of California Health and Safety Code, need not live in the home.
4. Activities in the home must comply with the noise regulations contained in Title 5, Chapter 5, of the Municipal Code. All play areas shall be located behind a solid wall or fence separating the area from neighboring residences.
5. The provider shall comply with all other provisions of Title 12 of the Municipal Code applicable to single-family dwellings, including without limitation those relating to signs and landscaping.
6. Parking spaces are to be provided as set forth in Title 12, Chapter 32 for single-family residences.

I have read and understand the requirements stated above. I further understand that any violation of these conditions is a violation of the Municipal Code.
