### **Aquatics Classes Starting in April**

Summer is just around the corner and it's a great time to make a splash! The City of Santa Maria Recreation and Parks Department will be starting several swim classes on Monday, April 21, 2014. There will be different classes for various levels of ability.

These classes are a great opportunity for kids to learn how to swim or brush up on their skills. There might even be a future Olympian in the making! The newly released Recreation Guide contains information on all swim classes including dates and times. The Recreation Guide is posted on the City's website, [www.cityofsantamaria.org](http://www.cityofsantamaria.org).

Lessons will be offered at both the Paul Nelson Aquatics Center and at Pioneer Valley High School. The Paul Nelson Aquatics Center is located at 600 South McClelland Street and Pioneer Valley High School is located at 675 Panther Drive. Registrations are now being accepted at the Recreation and Parks Department at 615 South McClelland Street.

Questions may be directed to the Recreation and Parks Department, 925-0951 ext. 260.
