Summer Day Camp

The City of Santa Maria Recreation and Parks Department encourages you to get in on the fun at this year's eventful Summer Day Camp. The program is offered to children ages 6 to 12 and will consist of a fun, educational environment that will help youth achieve a positive self-image while enhancing their physical, mental, and social growth. Each week will include activities designed to encourage physical activity, creativity, self-confidence, cooperation, problem solving, responsibility, and of course a great sense of fun!

Summer Day Camp will be held at the Minami Community Center (600 West Enos Drive) and will operate in eight one-week sessions from June 16 through August 8. On Tuesdays and Thursdays, the program will be held at the Paul Nelson Aquatics Center/Abel Maldonado Community Youth Center (600 South McClelland Street) as these are the days the participants will be swimming in the afternoon. The Summer Day Camp fee is \$75 per weekly session per participant and is based on a full-time schedule. Camp participants must register at the Santa Maria Recreation and Parks Department administrative offices, 615 South McClelland Street.
