Santa Maria Valley Management Area 2013 Annual Report of Hydrogeologic Conditions, Water Requirements, Supplies and Disposition

The Twitchell Management Authority (TMA) will hold a public hearing on Wednesday, June 25, 2014, at the Santa Barbara County Board of Supervisors' Hearing Room in Santa Maria, 511 East Lakeside Parkway, at 2:00 p.m. The purpose of this hearing is to discuss and receive public comments on the Santa Maria Valley Management Area *2013 Annual Report of Hydrogeologic Conditions, Water Requirements, Supplies and Disposition*. The annual report was prepared by Luhdorff and Scalmanini, the Santa Maria Valley Management Area Engineers, according to the terms of the June 30, 2005 Stipulation in the Santa Maria Valley Water Conservation District v. City of Santa Maria, et al. A representative from Luhdorff & Scalmanini will make a presentation and answer questions, and members of the TMA will also be available to answer questions.

The *2013 Annual Report of Hydrogeologic Conditions, Water Requirements, Supplies and Disposition* is available at <http://www.cityofsantamaria.org/Twitchell.shtml>, and at the City's Utilities Department Administration Office, 2065 East Main Street, Santa Maria. Oral comments may be made at the hearing. Written comments should be addressed to the TMA at 2065 East Main Street, Santa Maria, CA, 93454, and must be received no later than Thursday, June 26, 2014, by 10:00 a.m. Within 45 days after the hearing, the TMA will submit to the Court its recommendations regarding the annual report.
