Concerts in the Park Featuring The Bomb

After nine weeks of rocking out in the parks, the Concerts in the Park Series is preparing for its last show of 2014. The City of Santa Maria Recreation and Parks Department invites the entire community to Preisker Park, 330 Hidden Pines Way, on Sunday, August 31 from 1:00 to 3:00 p.m. Catch a free, live performance from The Bomb as they play your favorite funk, R&B, soul, blues, and Latin hits.

Concerts in the Park have featured some of the best local talent on the Central Coast, and the last show is no exception. The Bomb has been playing throughout the area for the past few years and their performance is sure to electrify the crowd. Their unique sound and melodic harmonies have made the band a fan favorite. Bring your lawn chairs and friends and end the Concerts in the Park Series on a high note.

The public is encouraged to attend this Sunday's event, and to keep an eye out for next year's Concerts in the Park.
