4. **Old Business:**

a. **Santa Maria Valley History Week:** Chairperson Joe Johnson provided committee members with a copy of the flyer being circulated by the Pioneer Association and the Historical Society to promote History Week, to be held September 17-24, 2006. The committee briefly discussed this again, affirming that its involvement will be limited to placing copies of the City's landmark brochure in the display area at the Town Center mall.

b. **Long House:** Mr. Johnson distributed to the committee the Recreation and Parks Department's second draft of the proposed language to be placed on the Long House plaque. The committee found it much improved over the initial draft, but with information still somewhat scant. Mr. Johnson said that it is difficult to find anyone with specific knowledge of this structure.

Several committee members felt that either Richard Chenoweth or George Hobbs might have some additional knowledge, and would also be able to proofread the draft for any factual errors. Jim O'Neill agreed to contact them.

5. **New Business:**

There was no new business.

6. **Announcements:**

There were no announcements.

7. **Adjournment:**

There being no further business, the meeting was adjourned at 4:35 p.m.

Respectfully submitted,
