Comments: none

4. Old Business:  
A) The plaque and dedication for the John Long House landmark is progressing, and the dedication will most likely occur in the Spring of 2007.  
B) Research continues into the Bas-Relief sculpture of the Santa Maria Ship, located inside the Wells Fargo Bank at E. Main and Miller Street. Joe Johnson contacted John Hood, Professor of Fine Arts at Allan Hancock College. He will discuss with A.H.C. Ceramics Instructor Bob Nichols, and get back with Joe. We would like to measure and photograph it at the time they inspect it to try to determine the material and process what the sculpture is made of.  
C) The City's Human Resources department contacted committee member Muriel Robinson, and she indicated she will be submitting a letter of resignation.
