5. Old Business:

- a. Continue discussion of plaques for Place of Historic Merit.:** It was determined by the committee that the wording for certificates will indicate the word "Site" will be used where a building used to be but is now gone, "Place" will be used for an existing building, and "Object" will be something that is not a building, such as the Flagpole.
- b. Progress of the Landmark flyer:** The flyer has been updated and will be distributed at the Chamber of Commerce and Historical Society building. It was found that the Santa Maria City home page has incorrect information regarding the Landmark Committee. Dick will discuss the problem with Mark Van de Kamp.
- c. Progress on Mahoney House on Blosser:** Joey reported that the family is working on developing the front garden into a vegetable plot. Jim will drive by to see progress. Dick believes the committee should further discuss a reason for a special designation for this property.

6. New Business:

- a. **Discussion of flyer for Place of Historical Merit:** Dick will write the text for the flyer and will contact Debbie Hilinger.
- b. **Consider Knights of Pythias building for special designation:** Jim will be printing out information on the construction of the building.
